

## **Kiddy Up Ranch Safe Return Plan**

**The Kiddy Up Safe Return will be done in 3 phases.**

**Phase 1: Completely Independent Riders.**

**Phase 2: Riders requiring horse leaders.**

**Phase 3: Riders requiring leaders and side walkers.**

**Each Student will be contacted individually to return to lessons based on the above guidelines.**

**No Lessons requiring Back Riding will be offered at this time.**

**The Petting Zoo and Playground will remain closed at this time.**

**Progression through the phases will be based on the continued downward trending of state Covid-19 cases.**

**Thank you for your understanding as we work towards providing a safe environment for our students, families, staff and volunteers.**

## **All riders and family members will be required to follow the following procedures.**

### **Riders and Families:**

1. The barn will be closed except for volunteers and staff who have been approved to enter.
2. All persons entering property must wash their hands at the warm water hand washing station.
3. A temperature check and health screening will be done upon entry to property. Documentation will be in therapy notes
4. Each rider must wear a mask.
5. Each rider must have their own helmet. If a rider cannot afford one, we will help them obtain one.
6. Families should bring the minimum number of people needed to care for the rider to help limit the number of people on site.
7. Families will be asked to leave promptly after class to allow for disinfecting and to limit the number of people onsite.
8. No one with signs or symptoms should come to the facility.
9. Horses will be tacked for the student to limit the number of items to disinfect between students.
10. Tack will be cleaned with a hydrogen peroxide mix after each rider. Saddle pads will be covered with a saddle pad cover and washed after each use.
11. No one will be allowed on property for 14 days from the date that they returned from travelling to areas designated as CDC virus hotspots. Or if they live with someone who has travelled. Everyone will be screened for travel.
12. If any person comes on the property and subsequently tests positive for COVID 19, they must inform us and Kiddy Up Ranch will take all measures required per CDC guidelines for continued safe operation.
  - Anyone who was on site at the time of possible exposure will be contacted immediately.

**Horses**

Horses that are used in class will be bathed after each rider; if they are to be used back to back, they will be sponge off along their withers, neck and head.

**Facility**

1. Will disinfect bathroom frequently.
2. There will be signs such as “Elbow” on light switches, signs on handwashing by faucets etc.
3. Disinfectants will follow the CDC recommendations.
